Barbara is the Caregiver for her husband, Jack a 31 year myeloma cancer Survivor. They started their 501c3 cancer charity, Arizona Myeloma Network, AzMN and Cancer CaregiversAZ, in 2004, to help other cancer patients and families like ‘theirs’. Over the past 18 years, they and their staff and volunteers, have provided Free information, resources, and Kindness, throughout COVID, during the Holiday Season and all Year Round.

We now are planning our Cancer seminars and Events for 2023, and with your help, launching our **new** Virtual Cancer Caregivers Education Programs, VCCEP®

We thank our friends at McCormick Ranch, where we have held our Annual Charity Golf Tournaments, for their generosity and recommend that you schedule your next golf date or event at this ‘Top’ Scottsdale Golf Course.

Our Mission: No family should face this devastating disease alone!
- In Arizona, there will be over 3400 new cases per month
- For every cancer patient there is at least one caregiver or a ‘family’ of caregivers
- The average caregiver devotes 40 hrs. a week in some caregiver task, often working and caring for a family.

YOUR SUPPORT AND DONATIONS CAN TRULY MAKE A DIFFERENCE!
