Barbara and Jack, a 33-year myeloma cancer survivor, started their 501c3 cancer charity, Arizona Myeloma Network, AzMN and Cancer Caregivers Az in 2004, to help other cancer patients and families like 'theirs'. Every \$\$ donated will allow us to provide free information and resources.

We would appreciate your Help in continuing our 20 years of providing **FREE** cancer information and resources for Arizona's cancer patients and families, with special outreach to the underserved

**Our Mission: No family should face this devastating disease alone!**

**The Need:** In 2023, the estimated new cancer diagnoses will be over 158,000 per month, or 1.9 million for the year, across the United States.

- In Arizona, that number is estimated to be over 3400 new cases per month.
- For every cancer patient there is at least one caregiver or a 'family' of caregivers
- The average caregiver devotes 40 hrs. a week in some caregiver task, often while still working and caring for a fami
- AzMN now has an online Cancer Caregivers Education Program for Free, Visit our Website: [www.cancercaregiversaz.com](http://www.cancercaregiversaz.com)
